FRIDAY, NOVEMBER 14, 1884.

From Columbia, Mo.

November 5, 1884. from us, we will send you a few items that we gathered while on a visit to

the Kingdom of Callaway. On the 2d inst. a party of University boys, consisting of your corres- given for the purpose of adding to tistes of real merit and ability In pondent, S. S. Brooks, the readywitted Dr. R. R. Brooks and "Tom wagon from Columbia to Fulton. We reached Fulton about 1 o'clock and after dinner, visited the State Lunatic Asylum. This imposing struc- whom I know to be tremendously out- best on the road. ture, situated in the eastern limits of Fulton, one-half mile from the Court House presents a frontage of 620 feet, Cosmetics, without exception, are inheighth five stories, including base-50,000 superficial feet of halls, 1,400 windows, together with large dormitories, and accommodates upwards ter countenance as to its showing of of 500 patients.

The present Board have solved the long vexed problem of supplying the institution with water by boring artesian wells. There are now four of these wells, of an average depth of 700 feet, in successful operation on the asylum grounds, by so far as tested the yield seems in-

Tue beautiful grounds surrounding the building are kept in a cleanly and orderly condition, and abound in splendid shrubbery, vying in beauty with the surrounding scenery. No one can form a very adequate conception of this home of the unfortunates, except by a personal vis-

The next object of attraction to the graveler is the Deaf and Dumb Asylum, which is situated to the northwest of the Insane Asylum. This building is not as large as the Insane Asylum, accommodating only about

The government of this institution, like that of the first, consists of a Board of Commissioners appointed by the Governor, with the advice and consent of the Senate.

Especial attention seems to be given to the maintenance of sanitary conditions necessary to health. Facilities for frequent bathing are furnished, and their regular use is care-

To aid pupils in becoming self-supporting the Board has provided shops, machinery, tools and material, for instruction in such trades as, cabinet making, shoemaking, and printing.

the noble work of elevating those silent ignorance."

We left Fulton towards the close of the evening and that night shared the hospitality of Mr. Wm. Brooks, an influential citizen of Callaway ed for part of our information.

On the morning of the 4th inst. boys (being residents of Callaway ter, N. Y. county) each polled a vote for Cleveland. From Calwood we started for McCredie where we took the train for Columbia via Auxvasse and Mexico. Every town we visited seemed to be flooded with Cleveland men. We reached Columbia at five in the evening somwhat tired, but ready to pursue our studies on the strength of Cleveland's election. ended our Clevelahd expedition.
